Present: Becky Haydon-Batte, Elizabeth Mailloux, Karla Pacheco, Nick Soave, Andrea Klooster

Absent: James Waite, Jeff Armour

Action Items:

1. Campus Trust Update –

The health plan is down by \$30,000. It was agreed that a meeting should be called so that all stakeholders could be informed of the state of the plan and talk about options.

2. JJEC Update –

The rating sheets for the nine jobs that were evaluated have been returned from Steve Kenney. There were band changes for 6 of the positions with 3 going up and 3 going down (see attached). It was decided that the Union would meet with its members to discuss the process and to answer any questions they might have as well as talk about the current relevance of the tool. Results will be sent to the individuals whose positions were evaluated and they will have 30 days to complete a reconsideration form if they wish, have their manager review and sign it, and return it to the JJEC for review.
