Present: Andrea, Karen, Andy, Maryann

Absent: Tanee

Date and Time: April 26, 2022 3:00-4:00 p.m.

1. April Inspection Review

MaryAnn and Karen reported on April inspection highlights, including:

- Room 269 kitchenette – fridge has moldy apple and pooled water in it. Unsure of who is using it and for what purpose. Will Food Support Services be using it after renovations?
- Empty hand sanitizers and dirty cloth bags piled at lockers (probably waiting for cleaning company to pick up) in Spoke
- Boxes resting against hanging light in Room 149. Mike has since moved them and Andy will look into how the light is secured
- Stained ceiling tiles in Wave office and Spoke locker room area

2. Update on Western's COVID Vaccination & Masking Requirements

Western will be continuing its indoor masking requirement for the spring academic term (May & June 2022). An update about masking beyond the term will be sent out mid-June. Western's vaccination policy will be extended through the spring and summer academic terms. The policy will be reviewed again by September 1, 2022.

3. New Business

- Andy advised everyone to get rid of their fluorescent, screw in light bulbs in the office and at home as they can be a fire hazard
- Andrea is currently booking a walk through with George from Standard Safety Equipment to review and restock the first aid kits in our operations. He regularly does this for the Wave and the Spoke but only does it annually or as needed for the rest of the kits.
- A new Mental Health First Aid session has been made available for June. Andrea will add the information to the Internal Communication to see if there is any interest. The uptake for May's session was quite high.
